

Application No. 10/692,479

Reply to Office Action

REMARKS

The amendments set forth in this supplemental response are intended to further sharpen the claim language by describing the subject matter applicants claim as their invention in more detail. The new claims are supported by the claims and specification as filed.

Conclusion

Applicants consider the application to be in proper condition for allowance, and respectfully request that it be passed to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
